

Hej Studentersamfundets bestyrelse

Da vi "snart" har sommerferie, har jeg planer om at afholde et "Post exam beer and pizza" arrangement for min årgang d. 30 juni :)

Jeg har skrevet følgende i beskrivelsen på facebook eventet.

*"The exams are soon over and I feel like drinking a beer with the rest of the semester! Wherefore, I suggest that we meet Friday the 30th(after exams) and barbeque or get a pizza, depending on the weather.*

*If the weather is good, we could meet in Kildeparken or at the harbor, if not we could always use the DE-club.*

*I can get us some free beers in Jomfru Ane Gade for later in the evening, so there is no reason not to join!*

*I hope a lot of you want to join and please invite your groups and everyone I forgot!"*

Vi er ca. 45 mand på årgangen, og jeg forventer at i hvert fald halvdelen dukker op. Denne ansøgning bliver godkendt, er tanken at pengene går det den første omgang(øl eller sodavand) og nogen snacks. Derfor vil jeg gerne søge om 500 kr. øl/sodavand og snacks.
